 - Available on Avenue the following day

Violence and Harassment in the Workplace

- ▶ McMaster committed to provide and maintain healthy and safe working and learning environments for all employees, students, volunteers and visitors
- ▶ Training to comply with Bill 168
- ▶ In the case of direct threat or act of violence
 - Main campus: dial 88, or activate a red emergency pole (905-522-4135 from a cell phone)
 - Off campus: dial 911
- ▶ Report threats or incidents of workplace violence to a supervisor, a person of authority or Security Services

Accessibility for Ontarians with Disabilities Act (AODA)

- ▶ Seems to be gone as a requirement
- ▶ “How can I help you”

Safety in our Labs and Tutorials

- ▶ If you are aware of a safety hazard, you must report it to your supervisor and the CAS Administrator
- ▶ If an accident or incident occurs
 - First call Security at extension 88 or 905-522-4135 from a cell phone. They will contact the Emergency First Response Team (EFRT)
 - Report it to your supervisor and the CAS Administrator
- ▶ Review the location of the phone - where?
- ▶ Review the location of the fire extinguishers
